

News

Happy New Year to you all! December was a quiet month but there was still plenty of good news. Congratulations to two sites who recruited their first patients; Richard Edwards, Alla Narytnyk and the rest of the team at Freeman Hospital, Newcastle and Kai Hogrefe, Adrian Cheng, Charmaine Beirnes and the rest of the team at Kettering General Hospital. St Thomas' also reached 20 patients recruited which is a great achievement.

Case Studies

As you may have seen, there are now three case studies available to view on the REVIVED website at: revived.lshtm.ac.uk/case-studies/ These are a useful resource so take some time to browse through them when you have a chance.

Regional REVIVED Meetings

The REVIVED CTU are pleased to announce there will be two regional meetings in spring 2015:

18th March: Leeds

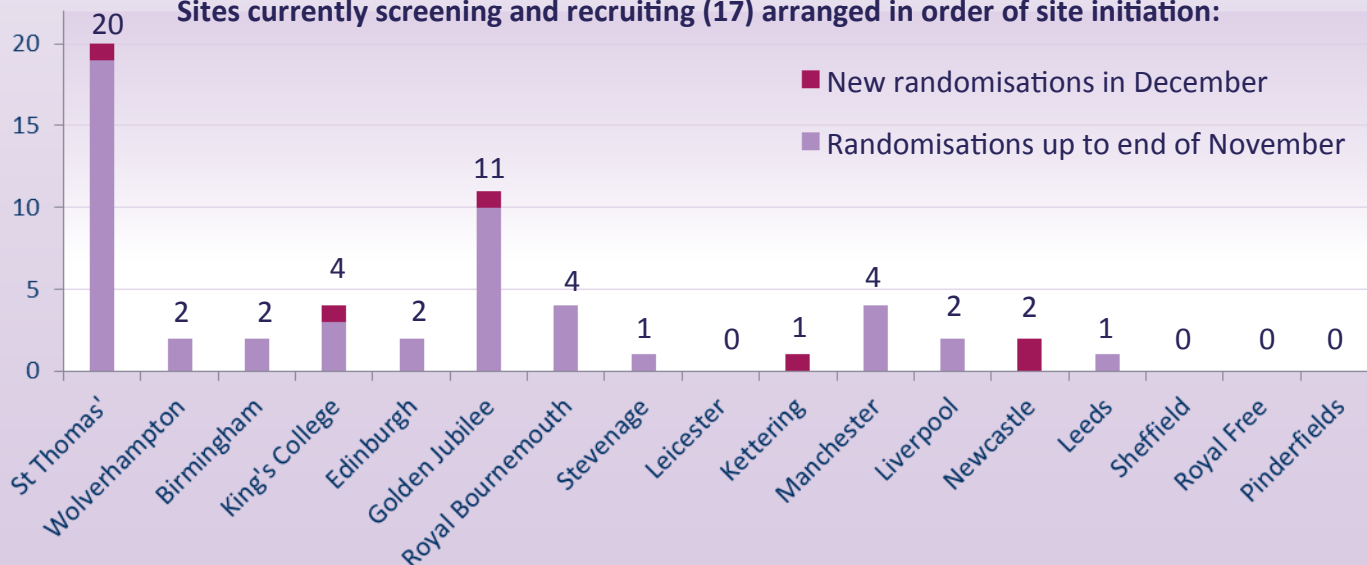

26th March: London

Both meetings will start in the afternoon from 1pm. Regional meetings have been chosen to allow the maximum number of people to attend and to cut down on your travel time. Please save the date of the meeting you would like to attend. Official invites are to be sent out shortly.

Site Progress Summary

56 patients recruited

Sites currently screening and recruiting (17) arranged in order of site initiation:
